Re: *In the Matter of Petition of Qwest Corporation for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Seattle, Washington Metropolitan Statistical Area, WC Docket No. 07-97*

ERRATUM to Qwest Petition for Forbearance, filed April 27, 2007

Dear Ms. Dortch:

On April 27, 2007 Qwest Corporation ("Qwest") filed the above-captioned Petition for Forbearance. Qwest has discovered minor discrepancies in its Seattle Forbearance Petition. In finalizing its data prior to filing, Qwest had updated the data in paragraph 10 of its declaration regarding the percentage of residential and business retail access lines in Qwest wire centers in which competitive fiber optic telecommunications facilities exist, as well as the percentage of Qwest wire centers in the Seattle MSA that contain competitive fiber optic facilities. However, Qwest inadvertently failed to revise these same percentages in paragraph 37 of the Seattle declaration. Qwest submits revised pages for its Seattle declaration that resolve this inconsistency. *See Exhibit 1 (redacted in its entirety).* In addition, Qwest's Forbearance Petition for the Seattle MSA references data shown in paragraph 37 of the declaration, as such, Qwest submits revised pages for its Seattle Forbearance Petition to reflect the corrected percentages for the Seattle MSA. *See Exhibit 2 (redacted in its entirety).*

In order to remain consistent with its original Seattle Forbearance Petition, Qwest has chosen to retain the confidential marking as originally filed in its April 27, 2007 Seattle Forbearance Petition rather than reflect the confidential markings as denoted in the Federal Communications Commission's First Protective Order, DA 07-2292, rel. June 1, 2007. As such, the attached exhibits (redacted in their entirety) for the non-redacted version of this erratum (submitted separately simultaneously) retain the confidential marking of **CONFIDENTIAL – NOT FOR PUBLIC INSPECTION**.

Parties that have executed confidentiality acknowledgments of the First Protective Order and that have previously received Qwest's confidential information will be served with these corrected pages as well. Information that Qwest previously identified as "highly confidential" is not affected by this erratum.

An original and four copies of this erratum is being submitted. An extra copy of this correspondence is also provided to be stamped and returned to the courier.

Please do not hesitate to call me or Daphne Butler (303-383-6653) with any questions.
